

Chameleon Series

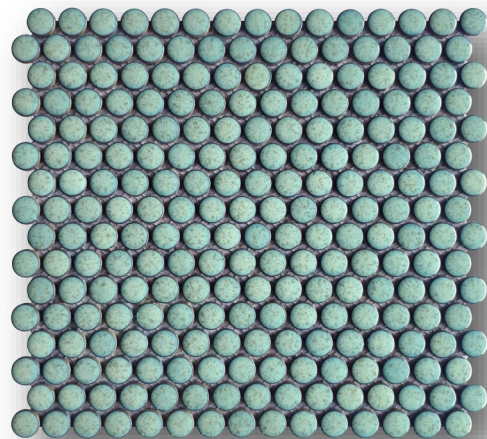

The Chameleon series has been custom designed to coordinate with a wide assortment of existing Maniscalco colorways. Modeled after Japanese Raku pottery, each color is made of a single fired reactive glaze. The colors are compared to a Chameleon, with a non predictable uniqueness. Available in both penny rounds and hexagons with four colors each. Each glaze, with a distinct aesthetic pull a variety of colors forward. From tropical blues and greens to rustic golds and soft neutrals, each color allows an abundance of options to discover.
