

Habitat Series

Emulating an ancient rustic feel, this product has timeless character. Offered in three different colors and sizes, all with matching trim. Each color displays a rare blending of light to dark from piece to piece. This variation will be the beauty of your design. These tiles are created with ink jet printing technology, giving each tile its own unique look. With as many as 50 various printed faces, you will never get the same look twice.

Habitat Series

Tidal

Imitating the oceans movement with painted expressions, blending art with the essence of nature for an endless reminder of the tide. These tiles are created with ink jet printing technology, giving each tile its own unique look. With at least 16 different printed tile faces, the blend of colors and movement can create the look and feel of nature's calming presence.
