

Little Sandy Pebbles

The Little Sandy Pebble Series is made of 100% recycled glass. This product has many benefits such as environmental sustainability, energy savings and eco-friendly manufacturing. Not only is recycled glass a responsible choice, it lends a unique aesthetic, durability, high resistance to heat and chemicals and easy maintenance. Due to their resistance to wear, when properly installed and maintained, they can retain their beauty and functionality for many years, reducing the need for frequent replacements.
