

# Perth Penny Rounds

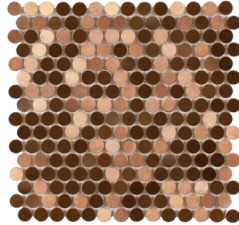

**maniscalco**

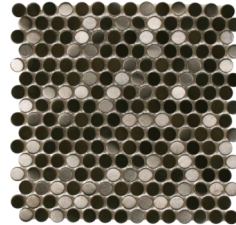

Metal Penny Round patterns have earned a place as a cherished tradition, carefully crafted from Copper and Stainless Steel. These pieces are made from full sheet metals enveloped over a ceramic base. Infusing spaces with sophistication and luxury, metal mosaics boast shiny and reflective surfaces that deliver a remarkable visual impact, enhancing the overall aesthetics of the area. Their ability to reflect light uniquely brightens up rooms, creating a sense of openness and spaciousness, further elevating their appeal.
